Agenda	<ul style="list-style-type: none"> - Welcome and share agenda - Feedback from remaining lunchtime questionnaires. Children to have time to read and analyse with RP. - Plan next steps for healthy schools - what information can we send out to parents and children in our school? - Class Council work discussed; what is bullying? What would we do if we felt like we were being bullied at school? 		
Minutes and matters arising	<ul style="list-style-type: none"> - All entries had been completed for our Sports Space banners and councillors requested that they choose one from each class to be put forward to our SLT to choose from. In groups councillors picked one poster from each class, which was a tricky decision as there were so many fantastic designs! - After reviewing the remaining questionnaires councillors discussed how to move forward with our healthy lunchtime options. Councillors all agreed that sweets should not be included as part of a healthy lunch but that one treat food such as a small packet of crisps or a biscuit should be allowed. Miss Proctor showed councillors several posters and handouts that could be sent to parents and Roshan suggested sending posters for parents with our newsletters from time to time. We thought it would be a good idea if we work to make a leaflet for parents giving tips for packed lunches and ideas for healthy snacks. - Councillors prepared for the Class Council meetings by discussing what they think bullying is and how bullying is different to other types of negative behaviour and agreed to discuss bullying and how we can report it as part of their next Class Council meeting. 		
Agenda for next meeting	- Anti-bullying policy review	Date of next meeting	7-3-18
