Minutes and matters arising	<ul style="list-style-type: none"> - We discussed our great ideas for the school library. Acorn Class suggested lots of new ideas including: <ul style="list-style-type: none"> • Computer Club to practise spellings and using the Reading Cloud • Using the old library to make a quiet space as some people are put off by the busy existing space • A 'Wow' word display where children find the meaning of new words and display this vocabulary • Comment cards that children put in books after they have read them to recommend them to others - Willow Class suggested the following: <ul style="list-style-type: none"> • Asking parents to volunteer to read with children • A research club • Cosy furniture that provides a more comfortable space to read in • Puzzles and activity cards linked to the books children have read - Mollie suggested using money raised at the Halloween disco to help fund our library redevelopment! - Councillors discussed places to donate this year's harvest food to. Although most were in agreement that Trinity Baptist Church would be a good cause, especially as Dave has worked with children from the school, they decided that we should ask Class Councils for any new suggestions. - Josh asked that suggestions for an after school activity for Miss Pilling to run could be added to the Class Council minutes.
