Minutes and matters arising	<ul style="list-style-type: none"> - Councillors were all pleased to see their photographs displayed in the entrance corridor. - Key Stage Two children handed in their completed library questionnaires and Sophie took them to Ms McCormick to look at. - Class Councils had suggested the following themes for our library art work; jungle, woodland, race track, seasons, sports, under the sea, space and a park. Councillors conducted a ballot and the most popular theme by far was a woodland theme. Miss Proctor will contact Street Arts Hire to come and meet the School Council to develop their ideas further. - School Councillors fed back that multi skills isn't happening in the sports space on a Friday as we have a different sports coach. Miss Proctor will provide the sports coach with a copy of our timetable this week. - Councillors discussed our DREAMS and 'Values in People' and began to think of ways we could recognise these in other people. Miss Proctor suggested a box located in a central area where children and staff could nominate people to receive an award. Councillors looked at the wrist bands and badges that could be rewarded to children at the end of each half term. This will be continued with Class Councils.
