Minutes and matters arising	<ul style="list-style-type: none"> - Class Councils had discussed and recorded the pros and cons of having kindles in our library. The pros included developing a love of reading, fun and using technology and saves space in the library. The cons included children possibly playing games, increased screen time, scratched or damaged equipment and the cost of books. School Councillors conducted a private ballot and the majority voted that kindles should not yet be introduced into our school library. - Lisa discussed the Lancashire schools menu with the children and offered to serve more milkshakes on a Friday (instead of the juice requested). Lisa also suggested that Class Councils could develop a menu of their favourite foods to have at the end of each half term. - Councillors were very intrigued to learn about careers week and had lots of ideas for people we could invite to our school!
