Apologies	N/A	Absent	
Agenda	<ul style="list-style-type: none"> • Welcome Councillors and share agenda. • Share work from Sports Organising Crew and Class Council meetings. Consider use of space outside Bumble Bee Class. • Discussion; How should we celebrate our success? (Think about attendance, team points, academic and outside of school). 		
Minutes and matters arising	<ul style="list-style-type: none"> • The School Council were joined by Mollie and Libby from our School Sports Organising Crew, who shared some of the things they have discussed at their most recent meeting. • They told us about the possibility of having new fences/nets to stop the balls going over and looking into having Astroturf installed in part of the playground. Libby told us how the trolley will be kept in the group room and staff will take responsibility for checking resources are returned. • They also explained that the space outside Bumble Bee classroom will be used for football and the sports space will be used for a designated sport each day. • Several Councillors discussed finding it hard to play football with children who are much younger than them and the Sports Organising Crew explained this is something they are discussing too. • Class Councils fed back and everyone had agreed that all children need to make sure they use resources for their intended purpose and put them away afterwards. They had all discussed sharing and taking turns and everyone agreed that this is their responsibility. • The Class Council item for discussion was introduced and several Councillors already had ideas to share with their classes about celebrating success. 		
Agenda for next meeting	<ul style="list-style-type: none"> • Character ideas for outside the toilets. • Celebrating success. 	Date of next meeting	5-2-20
