<b>Minutes and matters arising</b>	<ul style="list-style-type: none"> <li>• Willow Class reported that they would like to continue with magazine subscriptions in the library; however they think it is time for some new ones! They did want to keep National Geographic but suggested the following for potential new subscriptions:                             <ul style="list-style-type: none"> <li>○ Match of the Day,</li> <li>○ Simpsons</li> <li>○ Star Wars</li> <li>○ The Phoenix</li> </ul> </li> <li>• Bumblebee and Acorn Class to bring their lists/ideas to the next meeting.</li> <li>• Councillors discussed the items in the hygiene bag such as shampoo, soap, toothpaste and toothbrushes and thought that it was a great idea to have these available for people to take home if they need them. They felt that they could be put in a basket in the school foyer so that people can help themselves without needing to be buzzed into school and thought that we should put a note on the newsletter to let parents know it is there.</li> <li>• Miss Proctor updated Councillors on the plans in place for the 'Star of the Week' lunch as previously discussed and everyone was looking forward to it starting after Easter. Bella suggested that when a text is sent to parents informing them that their child is the 'Star of the Week' they should be reminded that they can attend the lunch so that they don't bring a packed lunch to school on the Friday.</li> <li>• Miss Proctor introduced the Class Council agenda and Councillors were already eager to share their ideas to encourage children to read more... including a pizza night as a reward for reaching reading milestones!</li> </ul>
