Minutes and matters arising	<ul style="list-style-type: none"> - We discussed the feedback from each class about our anti bullying policy. Based on every class' ideas and our discussions we agreed that our definition of bullying is when somebody purposefully targets an individual or a group by saying or doing something repeatedly that hurts them either emotionally or physically. - We re-read the definition of bullying in our policy; "Bullying is ongoing, deliberate behaviour that upsets the victim. It is behaviour that is targeted and selective and can be direct (physical or verbal) or indirect (e.g. being ignored or cyber bullying). It may be by one person or a group to one person or a group." - We agreed that our definition closely matches the policy. - Everyone felt that nobody has the right to make anybody else feel sad, hurt or uncomfortable and everyone in St Saviour's has the right not to be bullied. - We discussed the importance of clear record keeping to monitor any suspected bullying and how important it is not to fight back but instead to report to an adult or trusted friend. We discussed that we can use the 'Whisper' button on our website to report cyber bullying and the 'Thought Eaters' in class if we don't feel confident to speak directly to somebody. - We discussed the upcoming Class Council agenda items and everyone was keen to update our home school reading scheme further. - Joshua raised the development of the Sports Space and is going to speak to the Sports Organising Crew representatives from his class.
