| Minutes and matters arising | 1. Mrs Wood welcomed councillors and shared today's agenda. 2. Mrs Wood started the meeting with a BIG thank you from Mrs Marsh and Mrs Wood. The children have been amazing councillors this year and as a thank you we had a buffet lunch together. The children wanted to formally thank Karen from the kitchen for their lunch. 3. The feedback from the councillors was incredibly positive, they really enjoyed their experience. The children comments that they had picture books, sections, traditional, long and short fiction. The children had lots of different places to look. The place was all set into different categories for us to explore. There were loads of facts books which we selected. It was fab that there were some signed books from celebrities. All the councillors loved the visit and think this should be done again next year. 4. We agreed the school should have 'school ambassadors' and it should be open to the different year groups to decide whether it is a boy or girl. | | |
