Class council agenda	1. World Book Day - What would we like to do to celebrate the day? Should we invite children to wear a costume, asking for a £1 donation? Think about the cost of these? Can we suggest to wear something that doesn't cost a lot of money? What about a 'book swap'? What shall we do with the vouchers given out? Should each individual child get one or should we collate them together and use them to buy books for school when year 6 go to the book shop? Mollie - bring books in and swap with another. Boys can dress as footballers or character so simple outfits will not cost too much. Could do art work from our favourite story. Oliver - £1 donation or Alana suggested to bring in 2 books: one for a book swap and one as a donation instead of money. Isabella - choose a book as a class and decorate the class as the setting. Aaron - the class would like books. Mollie - teachers bring selection of books to choose rather than go to the shop. Acorns need more slips. Isabella - Different teachers could go to other classes and read their favourite book. We can create posters to let people know about what we are doing.
