Minutes and matters arising	<ol style="list-style-type: none"> 1. Mrs Wood welcomed councillors and shared today's agenda. 2. Playground Signs - Acorn class suggested having visual pictures of children so children who cannot read can still access the signs by seeing the pictures. Acorn class also think we should have a sign that says, 'Be Smart, Be Safe'. Having a removable sign which would indicate that the climbing frame is not safe to use, such as in the ice and snow. We think we need to build on some rules specifically for the sports space for children to know the rules. Children in school council think the sign should be to the left of the gate as everyone enters the sports space. Acorn class are going to do some research on the charity that we want to support this year. At the moment, Acorn class want to support a charity that will help people during the cost-of-living crisis. Acorn class want to support a charity that provides food to people who are struggling. Willow class discussed supporting a cancer charity or hospice because we felt this best suited our school community. Willow class also want to consider a charity linked to Autism, again which represents some members of the class. 3. Follow up to see if there is an owl post box key anywhere. 4. Really good, loved it, made it more special being away from school. We loved the Pizza and the venue. It was nice to go somewhere else. It was exciting and enjoyable and we would love to do it there again. 5. Mollie and Jack suggested having a rota for the sports space so it isn't always football every day. Maybe the sport could change each day. We could have 'Football Friday!'
